Preliminary Amendment Acknowledgement

Receipt is acknowledged of preliminary amendment filed on July 13/ 2004.

Allowable Subject Matter

Claims 1-10 are allowed.

The following is an examiner's statement of reasons for allowance:

Independent claim 1, more particularly define the structure of an optical data medium which comprises of a substrate (including a guide groove with a specific depth), a reflective layer (made of material with specific complex refractive index, a wavelength, a real part, and an imaginary part), a transparent layer (made of material with specific complex refractive index), and a recording layer (made of material with specific complex refractive index, a thickness in the groove portion, and a thickness in the portion between grooves). There exist a specific relationship between all the above parameters of different layers, which prior art fails to disclose such relationship.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Art Unit: 2627

The prior art made of record and not relied upon is considered pertinent to applicant's disclosure.
